Spring Leaves Dot
3" x 3"

A splendid anthology of rich decorative motifs and historic, weathered hues, Gramercy Park captures the architectural and botanical beauty of the historic New York City neighborhood. The magnificent architectural details of the area's traditional 19th century brownstones inspired the collection's intricately carved Victorian and Neo-Classic decorative tiles, replete with sumptuous details of traditional braids, beads and stately floral designs.

Type of Product	Durability/Application*	Variation*	Special Notes
CERAMIC			
GRAMERY PARK	Medium Duty	Handcrafted Variation Not recommended for kitchen counters	Due to the nature of the multi step glazing and staining process, significant variation in color between field tile and moldings may occur. In addition, glaze lots may vary significantly. Please request current stock samples before ordering. Gramercy Park tiles should be sealed prior to grouting.

*This color is not stocked in all styles. Please see walkerzanger.com for details.
